

Teays Physical Therapy Center

Patient Medication List

Effective January 1, 2015 Teays Physical Therapy Center (TPTC) is required to maintain an accurate medication list for all Medicare and non-Medicare patients. Please provide the requested information in the table below for each medication you take or have been prescribed, including over-the-counter medicines.

If you brought an accurate list containing all the required information that can be copied for your patient file, please check here: []

Patient Name: _____ DOB: _____ Date: _____

Name of Medication	Dosage (Example: milligrams)	Frequency (Example: 2 times daily)	Administration Route (Examples: Oral, Intravenous, Injection)
